Membership of SSP		£2,850		The engagement and development of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school. In 22/23 will be to develop and master the Knowledge and skills the children have learnt in the past two years and achieve a competitive school in sport	1/2/3/4/5	Build upon the opportunities that we give our children and deliver a high level of pupil participation in sports, fitness, exercise and activities offered throughout the school day, extracurricular activities after the school day and opportunities to engage, develop and compete in a multiple number of sport tournaments held by external providers in Suffolk and Norfolk	PE is delivered by a highly-skilled PE Instructor to ensure that the children receive the required amount of Physical Education each week and follow a full curriculum that achieves all objectives, knowledge and skills for all Key stages to accomplish.				
Fundariser		£4,792	£1,792	Broader Physical Education curriculum being delivered that builds on last academic year. We will use our PE premium wisley so children at Redcastle will have the opporutuintes to succeed in a range of sports.	3/4/5.	12 Units taught in the academic year 2022-2023. All Key stage 1, 2 and Early Years targets being met and developed in all lessons that have been provided weekly for each year. Physical Education Data to prove the development process throughout key stages by using assessment scores throughout each unit. we regularly assess the data and see how PE can improve in the teaching and learning so the children can gain the right knowledge, skill and technique within the sport The impact of our teaching and learning feeds of our children due to the success of our tournaments and competitions that are inta-school and based here at redcastle. The interest from all children in KS1 and KS2 impacts the level of PE too.	Assess pros and cons throughout 22-23 and see how PE at Redcastle can develop throughout units, lessons and opportunities when building the 23-24 curriculum map. Research on other types of tournaments so more children can be a part. To use feedback sessions from children and parents, to see and understand what they would appraicte in the curriculum of physical education				
Cover		£1,000	£0	Increased participation in competitive sport at Redcastle and use it around the community to build a better and stronger sport in the breckland area	1/2/3/4/5	All children in Reception to year 6 have been able to join our After school clubs and perform in PE to be picked in a broad selection of tournaments and competitions around the Breckland and Norfolk area. We have achieved our objective and applied for all the events that are up for offer for our school and children. We can happily compete, engage and develop at the level we want and all children have been given the chance to be a part of these events.	23/24 will be an important academic year for us as a subject and school. We have stuck to a 4 year plan by the end of 2024, we strive to have physical education at Redcastle at an outstanding level. We believe we are on the right path and we consistently have room to improve but all children at redcastle will aquire fantastic sporting oppoututintes in they PE lessons, After school clubs and extra curricular activities.				
CPD opportunities for all staff		£5,000	£0	The profile of PE and sport being raised across the school as a tool for whole school improvement.	1/2/3/4/5	22/23 children at Redcastle and other schools around thetford have been able to compete, develop and engage with eachother. As a PE cluster through the community we have built our very own primary thetford sport league that gives all years throughout the schools in the area the chance to build knowledge, skill and techniques within sport. We have succesfully carried out a number of events with a high number of schools takking part and with over 200 children particpating.	Questionnaire and assessment for each school to complete so the league can consistently develop and improve each year. carry on with our termly meetings to be held with all PE coordinators and leads in each school to develop the communities sporting opportunities.				
New Gym Equipment		£1,000	£1,832	Increased confidence, knowledge and skills of all staff in teaching PE and sport.	1/3	Years and groups of children allocated a timetable for Swimming, Sports leader roles, Forest school and bikeability throughout the academic year giving each child the opportunity to learning life skills and different qualities inside different sporting environments. Build on top of our woodland area a sustainability learning area that gives children the knowledge and skills of how to use certain resources to introduce Redcastle Family School as a part of earth's sustainable programme of improving the livelihood of our planet.	PE lead at Recastle to complete swimming qualifaction, to actively have Bikeability in the school grounds in the winter term for HKS2 classes and sport leader roles offered to move variety of children.
