

# INTRODUCTION TO SCHOOL TRENDS

At School Trends we have been supplying school uniform for nearly 30 years. We aim to deliver quality garments that offer excellent value for money. This parents' size guide is designed to help you select the correct size uniform and provide basic wash care instructions to keep your uniform looking as new.

## HOW TO MEASURE

Either...

Take a tape measure and measure in inches all around your child's chest or waist and refer to 1) To fit child's chest/waist.

Or measure an item of clothing that your child already has in centimetres and follow the below diagrams referring to the **A** and **B** measurements.

**Please note:** Finished length measurements for tops, dresses and jackets are taken from the shoulder neck point to hem including rib trims if applicable. However Blazers are measured from the centre back. Please allow for 5% commercial tolerance.

## KEEP LOOKING BETTER FOR LONGER

### GENERAL GARMENT CARE INSTRUCTIONS

- Always refer to the care instructions printed on the label inside your garment.
- Ensure you sort your garments into like for like colours and fabrics for washing.
- Be careful not to overload your washing machine.
- Turn garments inside out prior to machine washing.
- Always wash dark colours separately.
- For whites we recommend the use of wash care products that are specifically formulated for whites. This ensures your whites stay white.
- The use of fabric softener is not recommended as it is known to break down fibres in clothing.
- Stain removers containing optical brightening agents or bleach are not recommended for use on colours or darks.
- Fasten buttons and zips to reduce the risk of damage.
